Dr. Ivan Barry Pless

2-63

CURRICULUM VITAE

3-63

Dr. Ivan Barry Pless

EDUCATION

Secondary	Vaughan Road Collegiate Institute, Toronto	1952
University	University of Western Ontario - Pre-Medicine	1952-54
	University of Western Ontario – Medicine	1954-58
	University of Western Ontario – BA (with honours) (extension courses)	1960
Degrees	Doctor of Medicine (MD)	1958
	Bachelor of Arts (BA) (with Honours)	1960
Internship	Montreal General Hospital - Rotating	1958-59
Post-Graduate	Hammersmith Hospital British Council Scholar, Chemical Pathology	1959-60
Residency	Montreal Children's Hospital - Pediatrics	1960-62
Fellowship	London School of Hygiene - Statistics & Epidemiology	1965
Fellowship	Research & Clinical Fellow, Harvard Medical School	1962-64

PROFESSIONAL CERTIFICATIONS

Licentiate, Medical Council of Canada	1958
Certification, Pediatrics, Royal College of Physicians & Surgeons	1963
Diplomate, American Board of Pediatrics	1964
Medical License, New York State	1968
Corporation professionnelle des médecins du Québec (Licence no. 75-6899)	1975

CURRICULUM VITAE

Dr. Ivan Barry Pless

4-63

APPOINTMENTS

University	Attached Worker, MRC Unit for the Study of Environmental & Social Factors in Disease London School of Economics, University of London	1965-67
	Visiting Scholar, Department of Child Development, Institute of Education, University of London	1965-67
	Assistant Professor of Pediatrics, Preventive Medicine, & Community Health University of Rochester School of Medicine & Dentistry	1968-72
	Associate Professor of Pediatrics, Preventive Medicine, & Community Health (with tenure) University of Rochester School of Medicine & Dentistry	1972-75
	Acting Principal Investigator Community Child Health Studies Department of Pediatrics, University of Rochester	1974-75
	Director, Children's Rehabilitation Services, Department of Pediatrics, University of Rochester	1974-75
	Associate Professor of Pediatrics, Epidemiology and Health Faculty of Medicine, McGill University (with tenure)	1975-78
	Director, Community Pediatric Research Program, Department of Pediatrics, McGill University	1975- 90
	Professor Emeritus of Pediatrics, Epidemiology and Biostatistics Faculty of Medicine, McGill University	1978-2010
Hospital	Pediatric Consultant, Juvenile Rheumatoid Arthritis Project Robert B. Brigham Hospital, Boston	1964-65
	Honorary Clinical Assistant (Senior Registrar Grade) St. Mary's Hospital Medical School, London	1965-67
	Assistant & Associate Physician Strong Memorial Hospital	1967-75
	Co-Director, Pediatric Arthritis Clinic, Strong Memorial Hospital	1968-75
	Director, Management Team, Alexandra Pavilion	1976-80

CURRICULUM VITAE

Dr. Ivan Barry Pless

5-63

The Montreal Children's Hospital

Member, Department of Community Health
The Montreal General Hospital

1985-94

**Director, CHIRPP
The Montreal Children's Hospital**

1990-2010

Director, Injury Prevention Program
Member, Department of Public Health
Hôpital Maisonneuve-Rosemont, Montréal

1991-2001

1995-04

Research

**Director, Community, Development
Epidemiological Research McGill University**

1976 - 90

**Acting Scientific Director
The Montreal Children's Hospital Research Institute
McGill University**

1987-88

**Director, Clinical Research
The Montreal Children's Hospital Research Institute
McGill University**

1996- 2008

Other

Assistant Medical Director
Quebec Camp for Diabetic Children

1962-64

CURRICULUM VITAE

Dr. Ivan Barry Pless

6-63

SPECIAL HONOURS, AWARDS, RECOGNITION

Appleton Century Crofts Award (high scholastic standing)	1956
Alpha Omega Alpha Honour Medical Society	1956
Charles R. Will Award (Therapeutics)	1957
British Council Scholar	1958-59
Milbank Memorial Fund Trainee (Social Pediatrics)	1965-67
Milbank Memorial Fund Faculty Fellow	1968-73
Research Scientist Career Development Award U.S. National Centre for Health Services Research Development	1970-75
National Health Scientist, Health & Welfare Canada	1977-98
President, Ambulatory Pediatric Association	1979-80

10-63

Dr. Ivan Barry Pless

I. Roberts (PhD)

1994-95

B. Swaine (PhD)

1995-96

INVITED LECTURES, TALKS, PRESENTATIONS

Visiting Professor: Yale, University of Rochester, 1967-79
Johns Hopkins University, University of Pittsburgh, Melbourne,
Winnipeg, Univ of London,

Tenth Harry Medovy Lecture in Social Pediatrics, Winnipeg. 1980

Leonard Winters Memorial Lectureship; Providence, Rhode Island. 1982

George Armstrong Lectureship; Ambulatory Pediatric Association. 1988

**Felton Bequests' Visiting Professor; Royal Children's Hospital,
Monash Medical Centre. Melbourne, Australia. 1988**

Katherine White Visiting Professor; Miller Children's Hospital.
Long Beach, California. 1989

2nd Annual Kiwanis Visiting Professor in Trauma;
The Hospital for Sick Children. Toronto, Ontario. 1989

**Visiting Professor; Child Accident Prevention Trust.
London, England. 1990-91**

**D. Grant Gall Lectureship; Injury Prevention in Childhood.
Calgary, Alberta. 1998**

**Invited Speaker: Pediatrics and preventing injuries 9th Annual
Robert M. Heavenrich Memorial Lecture; "Injury, Prevention,
and Pediatrics". Michigan University. Michigan, USA. 2000**

**Invited Plenary Speaker: Injury Prevention and
Occupational Safety; "Four questions, Three answers".
National Occupational Injury Research Symposium,
Pittsburgh, USA. 2000**

**Invited Speaker: NHRDP in Kingston;
"Reflections on an NHRDP Research Scientist Career – A B rating" 2000**

Pediatric Medical Grand Rounds;
"Drunk Drivers: A Child Health Problem." 2001

CURRICULUM VITAE

11-63

Dr. Ivan Barry Pless

The Montreal Children's Hospital. Montreal, Canada.

**Invited Speaker: Milton and Pearl Grand Grand Rounds;
"Uncomfortable Bed Fellows: Clinical Pediatrics
and Injury Prevention." Montefiore Medical Center –
Children's Hospital. New York, USA. 2002**

Invited Speaker: Second International Conference of Science
Journalists "The Risky Business of Risk Homeostasis" 2004

**Invited Speaker: Lydia Catherine McCutcheon Lectureship on
Childhood Injury Prevention: "Do scientific publications
help achieve our goals?" Hospital for Sick Children.
Toronto, Canada. 2005**

EDITORIAL RESPONSIBILITIES

Editor: Injury Prevention 1994-2008

Editor Emeritus: Injury Prevention 2008-

Editorial Board member: Int J Pediatrics, Chronic Disease and Injury in Canada

Guest editor: Special issue, J PAEDIATR CHILD HEALTH 2004

**Associate Scientific Editor, Chronic Diseases and Injuries
In Canada 2011**

Reviewer for: Pediatrics, Journal of Pediatrics, American Journal of Diseases of Children, Developmental Medicine and Child Neurology, New England Journal of Medicine, Social Science and Medicine, Canadian Medical Association Journal, American Journal of Public Health, Journal of Developmental and Behavioural Pediatrics, Epidemiology, Journal of Clinical Epidemiology, Alberta Heritage Foundation for Medical Research, Alberta Children's Hospital Foundation, The University of North Carolina Injury Prevention Research Centre, Arizona Disease Control Research Commission.

COMMITTEES

15. **The Rochester Child Health Surveys,** Monroe County Pediatric Society. Rochester, 1971.
16. **Chronic Illness in Children: Implications for the Delivery of Care.** Colloquium, Columbia University School of Public Health. New York, 1972.
17. **Long Term Care of Children with Cerebral Palsy.** United Cerebral Palsy Association. Monroe County, Rochester, USA 1973.
18. Invited Panel Participant, **Conference on Family Research.** Interagency Panel on Early Childhood Research and Development. Washington, USA 1973.

CURRICULUM VITAE

47-63

Dr. Ivan Barry Pless

19. Invited Participant, **The Family and the Child with a Chronic Physical Illness: A Pediatric and Epidemiologic Perspective**. Family Research Conference. Minneapolis, USA 1974.
20. Speaker and Discussant, **I. Community Pediatrics: What is it? II. Preparing for the Future in Canadian Pediatrics**.
21. Royal College of Physicians and Surgeons and Canadian Pediatric Society Joint Meeting. McMaster University, Hamilton, Canada 1974.
22. **Epidemiologic Studies of Chronic Illness in Childhood**. Seminar, Department of Preventive Medicine, University of Ottawa, Canada 1974.
23. **Patterns in the Care of Handicapped Children**. Seminar, Department of Clinical Epidemiology and Pediatrics, McMaster University, Hamilton, Canada 1974.
24. **Chairman and Organizer, Conference on Measurement of Outcomes of Care of Children with Chronic Illnesses. Rochester 1973 and Bethesda 1974.**
25. **Chairman, 67th Ross Conference on Pediatric Research. Care of the Child with a Chronic Illness. Boothbay Harbor, Maine, 1974.**
26. Invited Participant, **Health Services, the Family and the Social System**. Duke University School of Nursing. Durham, North Carolina, 1975.
27. Workshop: **Subclinical Effects of Lead Poisoning**. Ambulatory Pediatric Association, Toronto, 1975.
28. **Seven Lean Years**. Ambulatory Pediatric Association, Toronto, 1975.
29. **Health Services Research in Community Pediatrics**. Pediatric Grand Rounds, Children's Hospital of Eastern Ontario, Ottawa, 1975.
30. Invited Participant, **Developmental Disabilities: Psychological and Social Implications**. Conference, The Johns Hopkins School of Hygiene and Public Health, Baltimore, USA 1976.
31. Co-Chairman, **Regionalization of Care for Genetic Diseases Workshop**. Ambulatory Pediatric Association, St. Louis, 1976.
32. Co-Chairman, **Epidemiology Section**. APS/SPR Conference, St. Louis, 1976.
33. Tutor: **Health Care Evaluation Seminar**. The University of Calgary, Division of Community Health Science, Faculty of Medicine. Calgary, Alberta, 1977.
34. **Child Health and the Community: The Rochester Child Health Studies 1967-1977**.

Dr. Ivan Barry Pless

Workshop of Evaluation of Child Health Services Fogarty International Center.
Bethesda, Maryland, 1977.

35. **Community Pediatrics and Regionalization: The Quebec Experience, and Non-Medical Support and Community Care of Children with Chronic Illness.** Seminars presented at Pediatric Symposium: Redesigning the Child Care Encounter. University of British Columbia, Vancouver, 1977.
36. **Patterns of Adjustment in Handicapped Children.** Conference on Psychological Aspects of Handicapping Conditions in Children. Ken-o-sha Diagnostic Center, Grand Rapids, Michigan, 1977.
37. **Preventing Accidents: A Preliminary Survey of Auto Restraint Utilization.** Canadian Pediatric Society, 1977.
38. **Sociodemographic Correlates of Childhood Morbidity and Physician Utilization.** Annual Meeting of the Royal College of Physicians and Surgeons. Vancouver, B.C., 1978.
39. Invited Participant, **Epidemiology of Chronic Disease in Adolescence.** Society for Adolescent Medicine. New Orleans, 1978.
40. **La Politique of Chronic Illness in Childhood.** Vanderbilt University, Department of Pediatrics, Nashville, Tennessee, 1978.
41. Invited Participant, **Two Decades of Research in Chronic Disease: Implications for Practitioners and Investigators.** Primary Care Pediatrics Conference. University of California, San Diego, 1978.
42. **Keynote Speaker, Health Care Research: Trials, Tribulations and the Occasional Triumph. Primary Care Pediatrics Conference. University of California, San Diego, 1978.**
43. **Considerations in the Assessment of the Role of Families in Chronic Illness.** University of Colorado Medical Center. Denver, 1978.
44. **Keynote Speaker, Prospects for Perambulatory Pediatricians. Ambulatory Pediatric Association. Providence, Rhode Island, 1978.**
45. **Community Pediatrics.** The Alan Ross Symposium. Montreal Children's Hospital, Montreal, 1979.
46. Division, Duplication and Neglect: **Patterns of Care for Children with Chronic Disorders.** Pediatric Grand Rounds. Foothills Hospital. Calgary, Alberta, 1979.
47. **Adjustment of the Young Chronically Ill.** Seminar, Alberta Children's Hospital, Calgary, Alberta, 1979

CURRICULUM VITAE

49-63

Dr. Ivan Barry Pless

48. **Safety Restraints for Children in Automobiles: Who Uses Them.** Seminar, Division of Community Health Science, University of Calgary, Alberta, 1979.
49. **Presidential Address, La Politique of Health Care. Ambulatory Pediatric Association. San Antonio, Texas, 1980.**
50. **Key Note Address. Hospital's Role in Care of Chronically Ill Child. 13th Annual Conference, Canadian Association of Pediatric Hospitals. St. John's, Newfoundland, 1980.**
51. **Health Care Research in Pediatrics.** Seminar, Janeway Child Health Center. Newfoundland, 1980
52. **The Chronic Disease Saga.** Seminar, Robert Wood Johnson Visiting Professor. The University of Rochester. New York, 1980.
53. **Perspectives on Health Care Research. Seminar, Robert Wood Johnson Visiting Professor. The University of Rochester. New York, 1980.**
54. **Invited Participant, Intervention Research on Families - A Pediatric Perspective.** Second Annual Conference "Changing Families". Educational Testing Service. Princeton, 1980.
55. **The New Morbidity: Old Problems Revisited.** The 147th AAAS National Meeting. Toronto, 1981.
56. **Keynote Address. Parent-Professional Collaboration: A Dubious Duet. Third Annual Conference on Parent-Professional Collaboration. Boston, Massachusetts, 1981.**
57. **Keynote Address. Accident Prevention - Focus on the Future. First National Conference on Childhood Accidents and Prevention. Ottawa, 1981.**
58. **Keynote Address. The Disabled Child in the Family - A Comprehensive Approach. Conference on Chronic Physical Disability. London, Ontario, 1981.**
59. **Keynote Address. Research Perspectives on Discontinuities in Health Care: A Modest Proposal. Conference. Association for the Care of Children's Health. Toronto, 1981.**
60. **Invited Participant, Children with Special Needs: State of the Field, 1981.** Conference on Research Priorities in Maternal and Child Health. Brandeis University, Waltham, Mass., 1981.
61. **Routine Tests in Pediatric Practice.** Pediatric Grand Rounds. Yale University Department of Pediatrics. New Haven, 1981.
62. **Traffic Accidents Among Children: Preliminary Results from a Total Population Survey.** International Epidemiologic Association Meeting. Edinburgh, Scotland, 1981.

63. **Child Safety: Child safe in the Living Environment.** Fifth Annual Medical Students Symposium, University of Ottawa, 1981.
64. Invited Participant, Conference on **Stress and Coping in Childhood.** Center for Advanced Behavioural Studies. Stanford, CA. 1981.
65. Invited Participant, Conference on **the Evaluation of Injury Control Programs.** Education Development Center, Inc. Boston, MA. 1981.
66. **Prevention of Accidental Injuries in Childhood: A New Challenge.** Johns Hopkins Medical Institutions. Baltimore, Maryland, 1982.
67. Invited Participant, **Epidemiology of Multiple and Physical Handicaps.** The Colston Symposium. Bristol, England, 1982.
68. Chronic Illness. Seminar, **Behavioural Pediatrics: Research and Clinical Implications.** Ambulatory Pediatric Association. Washington, DC, 1982.
69. **Leonard Winters Memorial Lectureship. Case-finding vs. Screening. Long Island Hospital, Department of Pediatrics, 1982.**
70. **Grantsmanship in Health Care Research.** Family Medicine Symposium. McGill University, Montreal, 1982.
71. Invited Participant, **Coping with a Chronic Disorder.** Symposium on Contemporary Pediatrics. Alberta Children's Hospital, September 1982.
72. **Impact of chronic illness on children and their parents.** Parent's Auxiliary of the Diabetic Children's Foundation meeting. Montreal Children's Hospital, Montreal, 1982.
73. **Coping with Chronic Illness.** Pediatric Grand Rounds. Children's Hospital of Philadelphia, Pennsylvania, 1982.
74. **Methodologic Issues in the Study of Traffic Accidents.** Epidemiology and Health Services Research Seminar. Children's Hospital of Philadelphia, Pennsylvania, 1982.

75. Presider, **Psychosocial Aspects of Chronic Illness and Handicapping Conditions**. APHA, 110th Annual Meeting. Montreal, Quebec, 1982.
76. Respondent, **Public Policies Affecting Children with Chronic Illnesses and their Families**. APHA, 110th Annual Meeting. Montreal, Quebec, 1982.
77. **The Epidemiology of Road Accidents in Children 0-14 Years Living on the Island of Montreal**. Centre de Recherche sur les Transports, Université de Montréal, 1982.
78. Invited Participant, **Research Planning Workshop on Preventive Child Psychiatry and Childhood Chronic Illness**. National Institute of Mental Health. Punta Gorda, FL, 1982.
79. Discussant, **Indicators Used in Past Studies for Monitoring Child Health Outcomes**. Harvard University Health Policy Working Group. Cambridge, Mass., 1983.
80. Invited Participant, **The Agenda for Research. National Invitational Symposium, Public Policies Affecting Chronically Ill Children and their Families**. National Academy of Sciences, Institute of Medicine, April 1983.
81. Invited Participant, **Two Decades of Research of Chronic Diseases in Childhood**. Symposium celebrating the Bicentennial of the Harvard Medical School. Massachusetts General Hospital, March 1983.
82. **The Epidemiology of Traffic Accidents in Childhood**. Department of Social and Preventive Medicine, Laval University, Quebec, April 1983.
83. **A Case-control Comparison of Children Injured in Traffic Accidents**. APA/APS/SPR Annual Meeting, Washington, D.C. May 1983.
84. **Accidents in Childhood**. Postgraduate Programme, Westminster Children's Hospital, London, England, January 1984.
85. **Population Studies of Traffic Accidents in Childhood**. Pediatric Department, St. Thomas Hospital Medical School. London, England, April 1984.
86. **Studies of Chronic Illness in Childhood. Department of Pediatrics, Postgraduate Seminars, Charing Cross Hospital. London, England, April 1984.**
87. Symposium. **Epidemiology of Child Road Traffic Accidents**. Pediatrics & Obstetrics Research Unit, Glasgow University. Glasgow, Scotland, May 1984.
88. Robitaille Y, Loeser H, Guay M, Pless, IB. **A computerized vaccination register where there are numerous vaccinators**. Third International Conference on System Science in Health Care. Munich, July 1984.

CURRICULUM VITAE

52-63

Dr. Ivan Barry Pless

89. Invited Participant. **Developing a Pediatric Residency Curriculum in Childhood Chronic Conditions**. Michigan State University, East Lansing, Michigan, September 1984.
90. **Keynote Address. Chronic Illness in Childhood: A New Agenda for Research. Conference on Chronic Illness in Childhood: Policy and Practice. Sponsor: The Bush Program in Child Development and Social Policy. The University of Michigan, Ann Arbor, Michigan, September 1984.**
91. Symposium. **Childhood Risk Factors for Adolescent Dysfunction**. American Academy of Child Psychiatry. Toronto, October 1984.
92. **Behavioural Pediatrics - What has it achieved and Where is it Going?** Canadian Academy of Child Psychiatry. Toronto, October 1984.
93. Seminar. **Secondary Analyses of British Cohort Data: 1) Antecedents of traffic accidents; 2) Consequences of chronic illness**. McGill University, Montreal, Quebec, November 1984.
94. **Invited Participant. Childhood Chronic Illness as a Risk Factor. Research Symposium. Mental Health Problems in Children with Chronic Illness: Can They be Prevented? Preventive Intervention Research Center for Child Health. Albert Einstein College of Medicine, New York, November 1984.**
95. Workshop. **Problems of Research with Chronically Ill Children. Mental Health Problems in Children with Chronic Illness: Can They be Prevented?** Preventive Intervention Research Center for Child Health. Albert Einstein College of Medicine, New York, November 1984.
96. **The Silent Epidemic: Traffic Accidents Among Children**. Grand Rounds. The Montreal Children's Hospital, Montreal, Quebec, February 1985.
97. Seminar. **Epidemiology of Accidents in Childhood**. Department of Social and Preventive Medicine, Laval University, Quebec, March 1985.
98. Invited Participant. **Changing Morbidity in Childhood: Old, Older, New and Newer**. The Richard B. Goldbloom Scientific Symposium, Halifax, May 1985.
99. Invited Speaker. **Chronic Illness in Childhood**. Pediatric Grand Rounds, Univ. of Massachusetts Medical School, Worcester, Mass., June 1985.
100. **Screening Tests in Office Practice: Implications from the Canadian Task Force Study**. 17th Ross Roundtable on Critical Approaches to Common Pediatric Problems, "Well Child Care". Washington, D.C., September 1985.
101. **Visiting Professor. Grand Rounds. Motor Vehicle Injuries in Childhood. Seminar, Psychosocial Adaptation in Chronic Diseases of Childhood. Department of Pediatrics**

Children's Hospital of Eastern Ontario, Ottawa, October 1985.

102. **Chronic Childhood Illness: New Perspectives.** Caring for Chronically Ill Children: Today's Challenge. A Regional Conference. New York State Department of Health. Rochester, N.Y., December 1985.
103. Seminar. **Traffic Accidents.** Research Seminar Series of the School of Physical and Occupational Therapy. McGill University, Montreal, Quebec February 1986.
104. Seminar. **Emotional Factors and Consequences in Chronic Childhood Diseases.** First Year Child Psychiatry Program. Department of Psychiatry, Montreal Children's Hospital, February 1986.
105. Seminar. **Epidemiology of Accidents.** Department of Preventive Medicine, Laval University, Quebec, March 1986.
106. Workshop. **Approaches to Research in Childhood Injury. A Critical Appraisal of Health Education in the Prevention of Injuries to Children.** National Institute of Child Health and Human Development. Bethesda, Maryland, September 1986.
107. **Risk Factors for Traffic Accidents in Childhood.** 30th Annual Meeting of The American Association for Automotive Medicine. Montreal, Quebec, October 1986.
108. **Epidemiologic Approaches to Injury Prevention in Children.** Pediatric Critical Care Conference. Hospital for Sick Children, Toronto, October 1986.
109. **Redesigning the child health encounter: Children under 12.** Introduction of the John T. Law Lecture. The University of British Columbia. Vancouver, B.C., February 1987.
110. Scientific Session. **Discussion of proposal for a national program to prevent injuries among school children.** The Montreal General Hospital, Kellogg Centre, Department of Medicine, Division of Clinical Epidemiology. Montreal, Quebec, March 1987.
111. Invited Participant. **Neonatal Follow-up Programs in Canada.** 7th Canadian Ross Conference on Paediatrics. Val David, Quebec, March 1987.
112. Invited Participant. Long-term psychosocial consequences of chronic diseases in children. Round Table on "Chronic Diseases in Children: Physical and Psychosocial Repercussions". Conjoint meeting of The Canadian Paediatric Society and l'Association des Pédiatres de Langue Française. Montreal, Quebec, July 1987.
113. Chairperson. **Symposium on prevention of injuries in childhood: An agenda for research.** (NHRDP sponsored) Montreal, Quebec, April 1988.
114. Co-Chairperson. Ambulatory Pediatric Association, **Chronic Illness Special Interest Group.** Washington, D.C., May 1988.

CURRICULUM VITAE

54-63

Dr. Ivan Barry Pless

115. Session Chairman. Home and Recreation Injuries. International Safety Conference. Montreal, Quebec, June 1988.
116. Chairperson. Workshop on epidemiology of risk factors in child sexual abuse. (NHRDP sponsored) Montreal, Quebec, September 1988.
117. **Changing mortality trends in North America.** Victorian Council on Obstetric & Pediatric Mortality & Morbidity, Royal Children's Hospital. Melbourne, Australia, 1988.
118. **Prophets and disciples: The tradition of research training in pediatrics.** Research Foundation Meeting, Royal Children's Hospital. Melbourne, Australia, 1988.
119. **Long term consequences of chronic illness in childhood.** Grand Rounds, Royal Children's Hospital. Melbourne, Australia, 1988.
120. **Functional status. Research workshop on the Consequences of Chronic Illness.** Royal Children's Hospital. Melbourne, Australia, 1988.
121. **Health Surveillance in Children.** Paediatric Society of Victoria Meeting, Royal Children's Hospital. Melbourne, Australia, 1988.
122. **Epidemiologic perspectives on injury prevention in childhood. Keynote Address. Childhood Accident Prevention Foundation of Australia (CAPFA). Seminar on Action in Injury Control. Royal Children's Hospital. Melbourne, Australia, 1988.**
123. **Risk Factors Predictive of Motor Vehicle Injuries.** Seminar on action in injury control. Royal Children's Hospital. Melbourne, Australia, 1988.
124. **Prophets and disciples: The tradition of research training in pediatrics.** Research Seminar. Monash Medical Centre. Monash, Australia, 1988.
125. **Long term consequences of chronic illness in childhood.** Chronic physical disorders in childhood. Monash Medical Centre. Monash, Australia, 1988.
126. **Recycling Words.** Felton Bequests Dinner, Monash Medical Centre. Monash Medical Centre., Monash, Australia, 1998.
127. **Chronic illness and emotional consequences: Challenge for intervention.** Workshop in child and adolescent psychiatry. Monash Medical Centre. Monash Australia, 1988.
128. **Trends in Childhood Mortality - A North American Experience.** Discussant: Joint session with Early Intervention Resources Unit. Monash Hospital. Monash, Australia, 1988.
129. **An Overview of Current Research on Psychosocial Issues.** Workshop in Child and Adolescent Psychiatry. Monash Hospital. Monash, Australia, 1988.

130. **Visiting Professor. Grand Rounds. Contrasting approaches to the care of children with chronic physical disorders. Miller Children's Hospital. Long Beach, California, February 1989.**
131. Second Annual Kiwanis Visiting Professor in Trauma. **Epidemiologic perspectives on injury prevention in childhood.** The Hospital for Sick Children, Toronto, Ontario, March 1989.
132. **Advances in pediatric epidemiology.** Hôpital Maisonneuve Rosemont, Montreal, Quebec, April 1989.
133. **Childhood Injuries.** Injury in Alberta - The First Annual Conference. Red Deer, Alberta, May 1989.

134. Chairman and Organizer. **Workshop on Children's National Injury Surveillance Program.** (LCDC sponsored) Montreal, Quebec, September 1989.
135. **Social Class and the Occurrence of Traffic Injuries and Deaths in Urban Children.** First World Conference on Accident and Injury Prevention. Stockholm, Sweden, September 1989.
136. **Risk Factors for Traffic Accidents in Childhood.** First World Conference on Accident and Injury Prevention. Stockholm, Sweden, September 1989.
137. **Bicycle Accidents among Children in the Urban Environment (M.F. Joly).** First World Conference on Accident and Injury Prevention. Stockholm, Sweden, September 1989.
138. **The Adequacy of Children's Hospital Emergency Department Data to Evaluate Injury Control Programs.** Conference on Evaluation of Community Intervention Programmes on Accidents. Stockholm, Sweden, September 1989.
139. **Keynote Speaker. Education and the Impact of Chronic Illness. The Second National Conference on Patient Education in Pediatrics: Educational Interventions to Promote Adjustment to Chronic Illness. Washington, D.C., November 1989.**
140. **Risk Factors for Childhood Injuries: Contrasting Methods.** LCDC Epidemiology Seminar Series. Health and Welfare Canada, Ottawa, November 1989.
141. Visiting Professor. **Risk Factors for Traffic Injuries in Childhood.** Robert Wood Johnson Clinical Scholars Program, University of Washington. Seattle, Washington, February 1990.
142. Visiting Professor. Grand Rounds. **Changing Mortality Trends in North America.** Children's Hospital Medical Center, Seattle, Washington, February 1990.
143. Lecturer. **Recent Trends in Childhood Deaths.** Practical Problems in Pediatrics - 1990 Update course, Department of Pediatrics, McGill University. The Montreal Children's Hospital, March 1990.
144. **A Comparison of Rates and Trends of Mortality in Childhood: Canada versus U.S.** Research seminar, Department of Epidemiology and Biostatistics, McGill University, Montreal, Quebec, March 1990.
145. **Health Services in Canada. International Representative:** Conference on Cross-National Comparisons of Child Health, hosted by the American Academy of Pediatrics and The House of Representatives Select Committee on Children, Youth and Families, Washington, D.C., March 1990.

146. Visiting Professor. Grand Rounds. **Injuries in Childhood: Prospect for Prevention**. Department of Pediatrics, Medical College of Ohio, Toledo, Ohio, May 1990.
147. Plenary Speaker. **Are we killing our children?** Interphase 1990 Conference, sponsored by the Alberta Prehospital Professions Association, Edmonton, Alberta, May 1990.
148. **Visiting Professor. Implications of Mortality Trends and Differences for Child Health Policy in Canada. Department of Pediatrics, University of Alberta, and Inter-phase 1990 Conference, Edmonton, Alberta, May 1990.**
149. **Comparative Injury Mortality Trends since 1960**. Society for Pediatric Epidemiologic Research 3rd Annual Meeting. Snowbird Conference Center, Snowbird, Utah, June 1990.
150. **CHIRPP: Canada's Childhood Injury Surveillance System**. Society for Pediatric Epidemiologic Research 3rd Annual Meeting, Snowbird, Utah, June 1990.
151. **International Address. Childhood accidental injury - the modern epidemic. Newcastle Upon Tyne Symposia in Child Health, No 11: Perspectives in Childhood Accidental Injury Prevention. Department of Child Health, University of Newcastle Upon Tyne, England, October 1990.**
152. **Science like Cooked Eggs?** The 1991 Ambulatory Pediatric Association Research Award Lecture, New Orleans, May 1991.
153. *Guest Lecture. **Lessons from Abroad: Links between research and action**. Child Accident Prevention Trust. Royal Society of Medicine, London, England, June 1991.
154. **Keynote Speaker. Injury and Accident Prevention: Achievements and Challenges. Paediatric Conference on Accidents and Emergencies in Childhood. Royal College of Physicians, London, England, October 1991.**
155. **Keynote Speaker. Ten Years Later: Where we stand. A National Conference on Childhood Injury Prevention. Canadian Institute of Child Health, Ottawa, Ontario, November 1991.**
156. **Mortality Trends in Childhood**. Grand Rounds. The Montreal Children's Hospital, Montreal, Quebec, November 1991.
157. **Science like Cooked Eggs?** Seminar Series, Department of Epidemiology & Biostatistics, McGill University, Montreal, Quebec, January 1992.
158. Invited Speaker. **Prevention of Accidents and Injuries**. Child Health 2000, World Congress and Exposition on Child Health, Vancouver, B.C., February 1992.
159. Invited Speaker. **Lessons from Health Trends for Systems of Child Health Care**. Forum "For the Future of Florida's Children: Building a Responsible System of Care", University of Florida, Gainesville, Florida, May 1992.

CURRICULUM VITAE

58-63

Dr. Ivan Barry Pless

160. Discussant. **Interventions in the Care of Children with Chronic Disorders** (Consortium co-author). Risk, Resiliency, and Development: Research and Interventions Conference sponsored by the William T. Grant Foundation, Kiawah Island, South Carolina, May 1992.
161. Invited Speaker. **The Health of Canada's Children**. Global Issues in Child Health Session. The Montreal Children's Hospital Homecoming '92, Queen Elizabeth Hotel, Montreal, Quebec, July 1992.
162. Invited Speaker. **Chronic Illness, Maladjustment and the Prevention of Handicap**, and Facilitator, Session on Developmental Issues. Conference on Issues in Paediatric Long Term Care in Canada. University of Toronto, September 1992.
163. Invited Speaker. Community Pediatrics and Children's Hospitals. **Community Linkages and Services**. Children's Hospital of Eastern Ontario, Board of Trustees Retreat, Ottawa, October 1992.
164. Speaker: **Vigilance Deficits and Children's Traffic Accidents**. Second World Conference on Injury Control. Atlanta, Georgia, May 1993.
165. Moderator: **Childhood Injury Behavioural Risk Factors**. Second World Conference on Injury Control. Atlanta, Georgia, May 1993.
166. Laforest S, Robitaille Y, Beaulne G, Pless IB. **Circumstances and Consequences of Home and Public Playground Injuries**. Presented at the Second World Conference on Injury Control. Atlanta, Georgia, May 1993.
167. Guest Speaker. **The Epidemiology of Childhood Accidents**. Symposia on Chronic Disease Control: Ethics and Epidemiological Research. Third National Conference, Canadian Society of Epidemiology and Biostatistics, Quebec City, June 1993.
168. Guest Speaker. **A Canadian View of Adolescent Health Promotion**. Third Symposium on Research Opportunities in Adolescence: Promoting Adolescent Health. Carnegie Council on Adolescent Development. Carnegie Corporation of New York. Washington, D.C., June 1993.
169. Speaker. **The Future of Community/General Pediatrics Research, and Lessons Learned: Challenges for the Future**. Panel Discussion, Robert A. Hoekelman Celebration, University of Rochester Medical Center, Rochester, New York, August 1993.
170. **Keynote Speaker. Developmental Pediatrics Symposium, Department of Pediatrics, Determinants of Child Health. University of Alberta, Edmonton, March 1994.**
171. Speaker. **A vision for epidemiology in the next two decades**. Alberta Heritage

CURRICULUM VITAE

59-63

Dr. Ivan Barry Pless

Foundation for Medical Research, Health Research Workshop Program, Edmonton, April 1994.

172. Speaker. Response to Keynote Address of Dr. D. Offord. Inaugural Symposium of the Centre for Studies of Children at Risk, Chedoke-McMaster Hospitals and McMaster University. **Improving the Life Quality of Children: Options and Evidence**. Hamilton, June 1994.
173. Speaker. **Children as Pedestrians and Bicyclists**. Session on Epidemiology of Injuries to Children in Traffic. Symposium on Children in Traffic: Exploring their Special Needs as Vehicle Occupants, Pedestrians and Bicyclists. Association for the Advancement of Automotive Medicine, Washington, D.C., March 1995.
174. Speaker. **Environmental Considerations in Protecting Child Pedestrians and Bicyclists**. Symposium on Children in Traffic: Exploring their Special Needs as Vehicle Occupants, Pedestrians and Bicyclists. Association for the Advancement of Automotive Medicine, Washington, D.C., March 1995.
175. **State-of-the-Art Plenary Speaker. Multidisciplinary or Interdisciplinary. Joint Plenary Session on Childhood Injury. APS/SPR/APA Annual Meeting, San Diego, May 1995.**
176. Speaker. **Future Directions and Challenges for Injury Prevention**. Session on Injury Prevention. Canadian Paediatric Society 72nd Annual Meeting, Montreal, Quebec, June 1995.
177. Invited Speaker. **The Implementation of Research Findings**. International Experts Meeting on Childhood Policies. International Relations Directorate, Human Resources Development Canada. Chateau Montebello, October 1995.
178. Invited Speaker. Session on **What Works and Why?**. 1995 British Columbia Injury Prevention Conference, Richmond, B.C., November 1995.
179. Invited Speaker. Session on **Evaluating Our Strategies Workshop**. 1995 British Columbia Injury Prevention Conference, Richmond, B.C., November 1995.
180. Chairman, Session on **Evaluating media-based educational programs**, Third International Conference on Injury Prevention and Control. The World Congress Centre, Melbourne, Australia, February 1996.
181. **Robitaille Y, Pless IB, Laforest S. To what extent can emergency room data be used to estimate prevalence of injuries in children?**. Session on Child Injury Surveillance and Control, Third International Conference on Injury Prevention and Control. Melbourne, Australia, February 1996. (Short listed for Haddon Memorial Plenary Session).
182. Chairman, Workshop on **Scientific Writing for Injury Prevention Journals**, Third International Conference on Injury Prevention and Control. The World Congress Centre,

Melbourne, Australia, February 1996.

183. **Injury Prevention**, Medical Emergency Fellows teaching seminar. The Montreal Children's Hospital, March 1996.
184. **Keynote Speaker. Setting the Stage: Implementation and Research. 1996 ECO-Research Workshop of the Tri-Council Secretariat, Quebec City, May 1996.**
185. **Keynote address The Politics of Injury Prevention. Working with a Net: Fostering relationships and collaborative efforts in injury prevention. National conference presented by the Centre for Injury Prevention and Research, KFL&A/Queen's University Teaching Health Unit, Kingston, June 12-15, 1996.**
186. **Pedestrian Injuries and Traffic.** CDE presentation with Alison Macpherson, MSc Student. Grand Rounds, the Montreal Children's Hospital, Montreal, September 1996.
187. **Keynote Address: Some E's are Better than Others. Safe Kids Canada Affiliate Workshop, Toronto, October 1996.**
188. **Program Evaluation Techniques.** Safe Kids Canada Affiliate Workshop Panel Session, Toronto, October 1996.
189. **Closing Address. Where do we go from here?** Symposium on "Injuries in Childhood – If Preventable, Why not Prevented?" The Royal College of Physicians and Surgeons of Glasgow, November 1996.
190. **Ed Belzer Jr. Lecture on Health Promotion. Health Education and Injury Prevention Revisited. Childhood Injury Prevention Conference, Dalhousie University and Atlantic Health Promotion Research Centre, Halifax, March 1997.**
191. **Invited Speaker: An Envelope of E's: Some Being Better Than Others.** Childhood Injury Prevention Conference, Dalhousie University and Atlantic Health Promotion Research Centre, Halifax, March 1997.
192. **Featured Speaker: Child Development, Chronic Disorders, and Injuries: A Curious Marriage. Frank Porter Graham Child Development Center 30th Anniversary Symposium Series, North Carolina University at Chapel Hill, April 1997.**
193. **Invited Speaker. A Population Perspective on Child Health.** Redesigning the Child Health Encounter III Conference, sponsored by the B.C. Research Institute for Child and Family Health. Renaissance Vancouver Hotel, Vancouver, BC, April 1997.
194. **Invited Speaker: Are we Serious About Prevention?** Symposium de traumatologie pédiatrique – Soins aigus et réadaptation. Département de Pédiatrie, Hôpital Ste-Justine. Formation Pédiatrique Continue de Montréal. Hôtel du Parc, Montreal, May 1997.

CURRICULUM VITAE

61-63

Dr. Ivan Barry Pless

195. Keynote Speaker. **Prevention is Part of Care – and Caring**. Symposium on Sports Medicine in Children and Adolescents. The Montreal Children's Hospital, June 1997.
196. Invited Speaker: **A Curious Marriage: Chronic Disease and Injury Prevention**. The McGill University-Montreal Children's Hospital Research Institute Seminar Series. Montreal, June 1997.
197. Invited Speaker: **Evaluation, Child Safety Programs**. Safe Kids Canada. Toronto, September 25, 1997.
198. Invited Speaker: **Injury Prevention from an International Perspective**. National Academy of Science, Woods Hole, MA, September 26, 1997.
199. Invited Speaker: **The Power of Measurement and Evaluation**. Safe Communities Foundation. Toronto, September 30, 1997.
200. Invited Speaker: **Taking a Tough Stand on Injury Prevention**. Pan-Atlantic Health Indicators Conference. Moncton, N.B., October 21 & 22, 1997.
201. Invited Speaker: **Injury Prevention: Time for Tougher Measures**. Alberta Heritage Foundation for Medical Research – Scientific Advisory Council. Edmonton, Alberta, November 13 & 14, 1997.
202. Invited Speaker: **How to get Published: tips from an Embryonic, Energetic, Evangelic Editor**.
203. **Keynote Speaker: Injury Prevention Politics: Great Expectations and Massive Frustration. Child Health Research Unit Dr. D. Grant Gall Lecture. The Fourth Annual Child Health Research Symposium – Alberta Children's Hospital, April 1 & 2, 1998.**
