

## Canadian Medical Protective Association

**“Medico-legal risk management for residents”**  
**‘You are an expert - give us your opinion on negligence’”**

**By Dr. Lorraine LeGrand Westfall.**  
**Physician Risk Manager**

### **Description of program**

You are invited to a three-hour case-based interactive session where you will learn about important legal aspects of medical practice. Using illustrative case examples, speakers from the Canadian Medical Protective Association will discuss professional and legal issues such as defining disclosure, obligations to the patient to the treating team and to the risk and quality management committee, Also delegation and supervision of Residents. This program addresses in part the CanMEDs Roles of Professional, Manager, and Collaborator.

### **Learning objectives**

By the end of the session the resident will be able to:

- Identify the role of CMPA in medico-legal issues
- Outline the medico-legal risks of medical trainees
- Appraise medico-legal scenarios involving residents
